About

I craft playful interactive experiences and clean, modern interfaces. My work spans game design and development, web UI, and visual content production. I enjoy building from concept to polished result, focusing on feel, clarity, and memorable details.

Education

2015 — 2019
Bachelor's Degree . Petra Christian University

Completed an undergraduate degree in Visual Communication Design (DKV) with a strong focus and high proficiency in 3D modeling, game design, and animation.

Work Experience
